MUFFLER WITH ROSE BOUQUET

You will need about 200 grams of BULKY yarn for the scarf and 50 grams of KIDSILK TYPE MOHAIR for the roses.

Gauge: Bulky Wool: 3.5 stitches = 1 inch
 Size 10.5 needles
 Fine Mohair: 5.25 stitches = 1 inche
 Size 4 needles

With BULKY yarn and size 10.5 needles, cast on 5 stitches.

Row 1: Slip first stitch PURLWISE, K2, P2 = 5 sts.
 Row 2: Slip first stitch PURLWISE, Yarn Over (YO), K1, P2, K1=6 sts.
 Row 3: Slip first stitch PURLWISE, YO, K2, P2, K1 = 7sts.
 Row 4: Slip first stitch PURLWISE, YO, K2, P2, K2= 8sts.
 Row 5: Slip first stitch PURLWISE, YO, P1, K2, P2, K2 = 9sts.

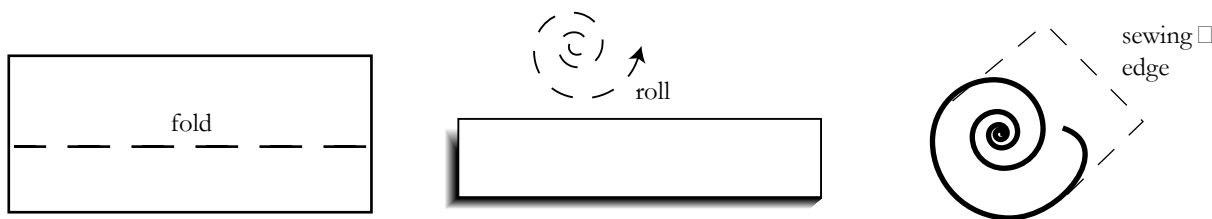

Increase in this manner, by slipping the first stitch purlwise, YO, and keeping the K2P2 rib patten, continue until you have 28 sts on the needle. Then work the rib pattern until the scarf measures 38 inches from cast on.

Next, decrease the opposite point of the scarf:

Row 1: P1, YO, slip next stitch, K2 together, or P2 together (depending on where you are in your rib
 pattern) and pass the slipped stitch over the stitch that you just knitted (or purled) together.
 Continue rib pattern until the end of the row.
 Row 2, 3, 4: ...repeat row 1 until you have 5 stitches on the needle.
 Bind off 5 stitches.

Make roses:

With size 10.5 needles and fine mohair, cast on 80 stitches. Change to size 4 needles and work the 80 stitches in stockinette stitch (knit one row, purl one row) until piece measures 5 inches. Bind off with size 10.5 needles. Make 5 roses in the same way, using the same color or variety of colors to make a bouquet. Fold each rectangle in half and roll it like a jellyroll.

Sew roses to tip of the scarf. Fold in half and pull through for muffler effect.
